

About Us

Last Updated Thursday, 15 June 2017

At Cae Gwyn, Carmel, LL71 7DD we grow a wide variety of herbs, flowers and other vegetables in the field and also hydroponically and aquaponically - which are for sale when in season. Rainbow trout and Carp for the table or freezer also available to order.

We welcome visits to our smallholding

to see the different methods we employ

in growing crops (hydroponics) and fish (aquaponics).

To ensure that we can give you our full attention we

ask that you contact us to make an appointment.

Gardening clubs, social groups and school parties etc.

are always welcomed. Please note - we no longer run training courses. see more on our Facebook page Anglesey Hydroponics and Aquaponics
